2019 Slovenia, Croatia and the Adriatic Sea Tour

This is the best and most comprehensive tour you will find anywhere!

Departure: Wednesday, October 2, 2019

From your point of departure in the US for Ljubljana (Slovenia)

Pick-up: Thursday, October 3, 2019

At Ljubljana/Brnik Airport (LJU)

Returning: Sunday, October 20, 2019

From Ljubljana Brnik Airport

Once upon a time, Yugoslavia was a country in Southeastern Europe during most of the 20th century. It came into existence after World War I in 1918. After an economic and political crisis in the 1980s, Yugoslavia broke up, at first into five countries, which led to the Yugoslav Wars. Today there are seven independent countries that rose from the ashes of former Yugoslavia's turmoil.

To help you understand Yugoslavia's rich history, we are inviting you to experience two remarkable and fascinating countries of Slovenia and Croatia. In Slovenia, you will experience with the dominating Julian Alps and WW I sites, deep gorges and the mysterious area of Karst, green forests and pastures, vineyards and the first "taste" of the Adriatic Sea at Piran. Croatia will make you wonder where to place it. You will find fascinating coastline with hidden coves, the turquoise Adriatic Sea, historic Roman villages and ruins, Venetian bell towers and dramatic mountains. The Dalmatian Coast dominated by many islands in the Adriatic to the spectacular Dubrovnik in the very South. From Split, we will be venturing inland through the mountain ranges to the stunning waterfalls and turquoise colored lakes at Plitvice Lakes National Park. We will conclude our adventure in Ljubljana, the city of love and capital of Slovenia. In both countries you will be spoiled by their culinary specials, such as seafood and tasty local wines.

Tour Highlights:

Lake side town of Bled - Vintgar cascade gorge - fairy-tale village of Radovljica – breathtaking exploration of the Vrsic Pass (WW I historical sites) in the Julian Alps - Lipica, the home of the noble white Lipizzaner horses - Postojna Caves, one of the world's most impressive underground caves - ancient coastal town of Piran on the Slovenian Adriatic - historic central Dalmatian city of Sibenik - romantic cities of Stari Grad and Hvar on the Mediterranean island of Hvar - the "Pearl of the Adriatic", the old town of Dubrovnik - city of Split including the ancient Diocletian's Palace - hiking in the picturesque Plitvice Lakes National Park - historic Ljubljana, and much more.

From the airport, we will depart due Northeast to the city of Bled, just about 35 minutes away. **Bled** is the only lake side town in Slovenia situated in a serene valley beneath craggy mountains. Lake Bled, Slovenia's leading mountain resort comes complete with a sweeping alpine panorama, a fairy-tale island, a cliff-hanging medieval castle, a lakeside promenade, and the country's most sought after dessert - vanilla-custard-and-cream cake - called *kremna rezina*.

Depending on our arrival there will be time on our own to cruise through a portion of the city.
Overnight in Bled.

DAY 2:

In the morning there will time for us to relax and/or take a walk to the nearby lake. After lunch we will take a boat trip to a medieval Tyrolean-style cloister Bled nestled on the wooded island of **Otok**.

This day is calling for a day filled with fun activities. The first excursion will take us to the **Vingtar** cascade gorge and a very pleasant mile-long scenic hike along the "wild" **River Radovna**. In the afternoon we will visit the historic town of **Radovljica**, located nearby Bled.

In the evening, we will enjoy a private at a family farm Mulej located in the village **Selo**, in the close vicinity of Bled.

DAY 4:

Most of this day we will spend traveling and indulging in the natural beauty of the **Triglav National Park**. This park is situated in the **Julian Alps** and we will be driving up and over the **Vrsic Pass** (el. 5300 feet). The road across the pass was built for military purposes, to supply the Isonzo front of **World War I**. Opened in late 1915, it is currently known as Russian Road, renamed in July 2006 to honor the Russian prisoners of war that were forced to build it and many of whom died. In their memory the prisoners built next to the road a wooden Russian Church. Following lunch at the top of Vrsic Pass we will continue down on the other side of the mountains via the **Soca River Valley**. This circular drive features some spectacular mountain scenery, as well as some offbeat WWI sights.

We may arrive later in the afternoon or early evening. The rest of the day is at our leisure.

DAY 5:

Following breakfast, we will continue to **Postojnska Jama (Cave)** – one of the world's most impressive underground caves. Slovenia boasts several fine cave systems, but Postojna is arguably the best.

After lunch, we will continue to **Lipica** – home of the noble white horses **Lipizzaners** situated in wonderful natural park like setting. We will enjoy touring this famous horse farm and stables. The stables were founded by the son of Keiser Ferdinand I. Charles in 1580. The horses were and still are used for leading the royal chariots.

We will continue to the ancient coastal town of **Piran** located at the Adriatic Sea.

Overnight in Piran.

DAY 6:

This day will be very relaxing and enjoyable by spending all day on our own to explore the ancient seaside town of **Piran**. Slovenia owns only 29 miles of Adriatic coastline and it includes the Back-Door gem of the Slovenian Adriatic, Piran. Its main square spills into its harbor. Enjoy a gelato or a "kava" on its sleek marbled square, surrounded by neoclassical buildings and watched over by a bell tower. Wander its piers and take a lot of pictures at sunset. Enjoy a spectacular seafood and pasta feast in a very domestic atmosphere.

There will be a fresh fish dinner on a private fishing boat coasting the Golfo di Trieste.

Overnight in Piran.

DAY 7:

In the morning, we will be departing Piran and continue to Croatia. Our destination of the day will be the town of Zadar (5 hours travel time). **Zadar** is the oldest continuously inhabited Croatian city. It is situated on the Adriatic Sea, at the northwestern part of Ravni Kotari region. The city proper covers 9.7 sq mi with a population of 75,082 in 2011, making it the fifth-largest city in the nation.

Following breakfast, we will be heading further South to Split (2.5-hour travel time). We will head directly to Split's harbor where we will board a boat ferry (2 hours boat ride). The ferry will take us to the beautiful Mediterranean island of **Hvar**. Upon arrival and to readjust from the boat ride, we may enjoy a casual stroll or just have coffee, wine, or gelato in the small ancient town of **Stari Grad (Old Town)**. It is one of the oldest towns in Europe (384 b.c.) and it used to be called Pharos. We will then continue to the town of **Hvar**.

Since Hvar is situated in the middle of the main sea routes, history has left many traces in the villages in middle of astonished natural beauty. Hvar is an island of heather, sunshine and crickets, an island of lavender, sage, rosemary, and wine.

Upon settling in our hotel, there will be time on your own to explore the harbor, the old town, or just take a walk to the beach.

DAY 11:

Today we discover the city whose ancient walls have withstood both time and tide for a hundred years, and more recently, the attack during the Serbian invasion of the early 1990s. DAY 14:

After breakfast, we will be drive to the nearby city of Split. We will tour the **Diocletian Palace** accompanied by a guide followed by a few hours at our leisure. (B-D)

DAY 15:

Plitvice Lakes National Park is one of Europe's most spectacular natural wonders. Imagine Niagara Falls diced and sprinkled over a heavily forested Grand Canyon. Plitvice Lakes National Park is a dramatic string of 16 turquoise-colored lakes connected by a series of waterfalls, cascades, caves, and miles of pleasant plank walks. Once known as Devils Garden, this intriguing natural landscape of karst formations and abundant wildlife is a UNESCO World Heritage Site.

We will have the opportunity to explore the park all day long on our own.

Overnight in Plitvice Lakes.

(B)

DAY 16:

This morning we will travel from Plitvice to Ljubljana (approx. 4-hour travel time).

This afternoon is at leisure in **Ljubljana**. Ljubljana, a lazy old town clustered around a castle-topped mountain is often compared to Salzburg. While there are few must-see sights, the town's biggest attraction is its ambience. The Ljubljana River, lined with cafes, restaurants, and buzzing outdoor markets, divides the city in half. Most sights are either along or just a short walk from the river, which is crossed by several interesting bridges.

Overnight in Ljubljana.

DAY 17:
